FULLTEC

Description

FULLTEC ADJUVANT

Fulltec Adjuvant is the most complete adjuvant on the market. It brings the convenience of a multi-functional product with the practicality of a user-friendly rate for busy farmers. Fulltec is your go-to when it comes to all of your spraying needs.

Main Benefits:

Time saver

Just one product can replace the usage of many others, saving time and making operations more efficient.

User-friendly

Easy to handle packaging with a low-use rate makes Fulltec the most convenient adjuvant on the market.

Effectiveness

Fulltec Adjuvant minimizes losses in the spray application and improves droplet coverage and plant absorption.

• Drift retardant

• Surfactant

• Water Conditioner

• pH Adjuster

• Emulsifier

• Defoamer

• Stabilizer

• Deposition Aid

• And more
