FULLTEC

Description

FULLTEC OIL

Fulltec Oil is a highly concentrated blend of vegetable oils, emulsifiers, acidifiers, and surfactants. This exclusive, superior formulation increases activity and enhances the performance of herbicides without compromising plant health.

Main Benefits:

Safety

The premium formula delivers better weed control with less plant stress.

User-friendly

A unique blend of pure vegetable oils delivers better performance with less product.

Chlorine Inhibitor

Fulltec Oil has the ability to reverse the negative effects that Chlorine has on biological products. It provides the safety, within the tank, that biological products require during application.

• **Highly concentrated vegetable oil** • **Maximum performance surfactants** • **Less crop harm** • **Natural insect repellent**
